

## At A Glance

**illumiscape Landscape Lighting** provides eye-catching lighting effects for homes, gardens, patios, decks, docks, driveways, walkways, entry monuments and much more.

When you work with **illumiscape** you are working with people who are constantly training to keep up with the latest technologies and designs. We will work with you to select the appropriate lights, made of only the best materials, and of the right colors to blend with your environment and design scheme. Taking great care with your landscape is a priority; we will not disturb your plantings or hardscape. We will then find just the right locations to place your fixtures, never over doing it, to make the nighttime exterior of your home and its surroundings come to life. We work within your budget to achieve this vision.

At **illumiscape Landscape Lighting** we pride ourselves on installing the best lighting system possible. That's why we are excited to announce **Two Years-No Maintenance** on all newly installed systems. That means no light bulbs to change, no timers to set, and no repairs- just pure enjoyment. Here are some other advantages of an illumiscape system:

- All **Transformers** have a **lifetime** warranty.
- **Copper and brass** fixtures carry a **10 year** warranty.
- **Aluminum** lights have a **3 year** warranty.
- **3 year warranty** on our **workmanship** including wire, connectors, and stakes.
- We use **extra long life** (average rated life of 10K hours) Xenon **bulbs** wherever possible.
- We are **licensed, bonded, and insured**.
- **Excellent customer service** and follow through. Although everyone advertises exceptional customer service, we will show you that we mean it.
- **Care package** with spare bulbs, all instruction manuals, and tip sheet with general and do-it-yourself maintenance information about your system upon completion.

We are very loyal to our customers and will gladly take care of any issues that should arise. We will follow up until you are **100%** satisfied. Please give us a call if there are any other questions. Thank you.
